Supply Chain Manager

Supply Chain Manager (m/f/d), full-time, Grambach: What do you think about a nine-to-five job? Nah, nothing for you? We think so too! PRIMUS AERO is a service provider in various fields in the aviation industry, but our focus is on private and business jets. We want to grow, not only in size but also in spirit, and this only works with the right people.

About you

- you have a degree in logistics or business administration, and relevant job experience, or
- you have 5+ years of work experience in logistics or business administration
- you are fluent in English (German skills are nice to have but not required)
- you are experienced with MS Office Programs and ERP systems (BMD, SAP, etc.)
- you are flexible and willing to learn

Being a Supply Chain Manager at PRIMUS AERO involves

- communicating and coordinating with international suppliers and forwarding agents
- selecting suppliers and negotiating prices
- archiving and administering delivery documents and order confirmations
- invoicing and handling complaints
- on-call duty on one weekend per month and the possibility for business trips

Why you'll love working at PRIMUS AERO

- flexible working hours and the possibility to work from home
- familiar work climate in an attractive industry
- possibility for career development due to our current growth
- possibility for a company car after six months

Sounds interesting to you? We would love to hear from you! Remuneration is according to the collective agreement for employees in the metal industry. A higher payment is negotiable depending on your expertise and skills. Candidates must hold a valid EU work permit. To join the team, send us your CV and application to jobs@primus.aero
