Supply Chain Manager

Supply Chain Manager (m/f/d), full-time, Fort Lauderdale, Miami/Florida, USA: What do you think about a nine-to-five job? Nah, nothing for you? We think so too! PRIMUS AERO is a service provider in various fields in the aviation industry, but our focus is on private and business jets. We want to grow, not only in size but also in spirit, and this only works with the right people.

About you

- 3 years of work experience in Materials Management, Supply Chain, and Logistics, especially in material planning or related function
- experience working in a similar industry or manufacturing environment in supply chain management, purchasing or logistics or equivalent qualifications
- diploma in Engineering, Supply Chain, Business Studies or equivalent business experience
- experience in working with ERP/MRP system
- highly motivated with a capability to handle a demanding workload that requires accuracy
- must have a valid driver's license and passport and the willingness to travel
- english – fluency in reading, speaking, and comprehension

Being a Supply Chain Manager at PRIMUS AERO involves

- proposals for new and existing customers
- procurement of spare parts and their national and international delivery
- communication and coordination with responsible engineers and technicians on the base
- receiving and shipping spare parts and procuring and administrating transport documents
- account management for parts suppliers

Why you'll love working at PRIMUS AERO

- flexible working hours and the option for remote work
- diverse team with family spirit
- possibility for career development due to our current growth

We offer an attractive salary based on your experience and skills. Candidates must be a US citizen or legally authorized to work in the United States. Sounds interesting to you? We would love to hear from you! Send us your CV and application to jobs@primus.aero
